

Installation Instructions
CATALOG # QCCLS1 & QCCLS2
Quick Cam Cover

Made in the USA

Caution! *Never work on a hot exhaust system. Burns or other serious injuries can result. Always allow the exhaust system to cool before removal. Always consult vehicle manual for proper lifting and support guidelines. Always wear approved safety glasses when working. Serious injury or death can result if safety precautions are not followed.*

Installing the Covers:

The timing cover comes in two pieces. A lower half and upper half. Remove factory cover, cam position sensor (LS2) and factory timing cover gasket. Don not discard!

You will be reusing the gasket. Clean surface area. Gently install the lower crank seal which is provided. Align factory gasket on the block. Bolt on lower half of the Quick Cam cover. Do not torque bolts down, leave them loose.

Clean lip area of the top cover. Apply some gasket maker as shown in the picture above. Bolt the top cover to the block. Align both the top and bottom covers so they are even. Torque bolts to manufactures specs. Bolt back cam position sensor (LS2). Excess sealant can be wiped away with a cloth and shop solvent.

Notice of Disclaimer and Liability

The Federal Government, each of the fifty states, local municipalities, towns and counties regulate emissions production, noise levels and safety standards. Quick Time Performance Inc make no warranties of merchantability, of fitness for a particular purpose, or that its products are approved for general use, or that its products comply with laws, regulations or ordinances in the states where they may be sold to the ultimate purchaser, the consumer. Unless stated otherwise on our website, instruction sheet or price list, all risk to the conformity of any of the products offered by Quick Time Performance. Inc. or its affiliates in any such state and as to repair should the product prove defective or non-conforming, is on the retail purchaser, the buyer, the ultimate consumer of such product and it is not upon the seller, distributor or manufacturer. In this connection, the retail purchaser, the buyer, the ultimate consumer assumes the burden of the entire cost of any and all necessary service, alterations or repair. The foregoing statement LIMITS THE LIABILITY OF QUICK TIME PERFORMANCE.COM INC. AND ITS AFFILIATES. QUICK TIME PERFORMANCE, INC. AND ITS AFFILIATES ASKS THAT YOU REMEMBER THAT RACING VEHICLES NEVER BE DRIVEN ON A HIGHWAY OR STREETS ANY WHERE IN THE UNITED STATES. It is illegal to remove or render inoperative any emission control device on any vehicle. Our products are intended for racing vehicles, which have never been intended to be driven on any highway or any street in the United States. In California Vehicle code sections 27156 and 38391 prohibit the advertising, offering for sale, or installation of any device, which modifies a vehicles emission control system unless exempted. Quick Time Performance.Com Inc. and its affiliates have not received an exemption from these code sections and are not legal for sale or use in California on vehicles originally equipped with a catalytic converter. Our products are for racing vehicles, which are never intended for highway or street use. Our products are subject to price change without notice. We reserve the right to reject and cancel any order.

Warranty

Quick Time Performance Inc. provides a limited warranty against defects in materials and workmanship for a period of 90 days from date of sale to the original purchaser. Upon inspection and verification of warranty, Quick Time Performance will, at its option, repair or replace products, which prove to be defective.

Exclusions & Limitations
